

IMPACT

Care Grows West is a bold \$35 million fundraising campaign to expand health care for one of Canada's fastest growing populations, the people of West Ottawa and the Ottawa Valley.

Through the **Care Grows West** campaign the Queensway Carleton Hospital will be able to increase its already outstanding patient care, expand its vital health care programs and services, offer innovative new services and – bring it all closer to home for thousands of people.

Your support of **Care Grows West** will have a positive impact the areas of:

- Cancer Care
- Surgical Care
- Diagnostic Imaging Care
- Outpatient Care
- Dialysis Care
- Cardiopulmonary Care

About Queensway Carleton Hospital:

Queensway Carleton Hospital is the centre of outstanding care for over 400,000 people in West Ottawa and the Ottawa Valley, providing comprehensive and vital health care services that are growing to meet the needs of a rapidly growing community.

People come first here. Our management, physicians, staff and volunteers practice compassionate and highly personalized health care where the medical and emotional needs of patients and their families are met with kindness, attention, understanding and compassion.

GOAL: Even more exceptional QCH care closer to home for thousands of patients

Already accomplished through Care Grows West:

- New operating rooms opened in January 2008
- New endoscopy suite equipped in 2008
- New CT Scanner funded – with increased capacity and quality of imaging
- New Nuclear Gamma Camera now in service
- New Digital Mammography now in service
- Irving Greenberg Family Cancer Centre opened in January 2010

Phase 3 to include:

- New Surgical Centre – 10 operating rooms
- Newly expanded Diagnostic Centre to include:
 - New additional MRI
 - New additional CT Scanner
 - Additional Nuclear Medicine capacity
 - Additional Ultrasound capacity

- New Ambulatory Care Centre
- New inpatient beds
- New satellite Dialysis Clinic

Increased care every year

- More than 50,000 patient visits to Cancer Centre
- More than 3,000 additional surgeries
- More than 70,000 additional diagnostic exams
- More than 2,000 dialysis treatments each year
- More than 30,000 patient visits to Ambulatory Care Centre
- More than \$225 million in total construction and equipment investment. This means, for every dollar we generate in our \$35 million campaign, the government investment is \$5.4 dollars.
