### What benefits will I receive as a Women In Philanthropy member?

- **Virtual Meetings with Hospital Leaders** - **Hear** hospital leaders speak to the innovative ways medical advances are changing the landscape of healthcare, with a focus on topics that impact women's health. Bring your healthcare questions and learn from our medical experts. Held up to 3 times per year.
- **Behind-the-Scenes Tours** - **See**, up close, how your philanthropy is transforming healthcare at Queensway Carleton Hospital (QCH). From operating rooms, surgical equipment and diagnostic imaging machines, to emergency medicine, medication management systems and specialized bedside technology, you'll see how your support impacts patient care. *Tours are currently on hold, but will resume as soon as possible.*
- **Annual Voting Meeting** - **Vote** for one of three short-listed projects to be funded by the members' annual, collective giving. After lively, competitive and enlightening presentations by hospital leaders, cast your vote to select the project that will receive the group's collective investment. Together, you'll have a greater impact advancing healthcare at QCH. *This event may be held virtually in 2021.*
- **Annual Celebration** - **Celebrate** the incredible impact your support is having on healthcare for our region. Join other members as we celebrate, in style! *This event may be held virtually in 2021.*
